

**RATES EFFECTIVE JUNE 1, 2009**

At Salinas Christian School, education is an investment in your child's future. Our students come to us from a wide range of socio-economic backgrounds; thus, we strive to keep fees to a minimum and still provide a quality educational program. In comparison to other independent schools, our student fees are low. In addition, we provide a built-in tuition reduction program for families with more than one student enrolled at SCS.

Our educational program is built around and upon a fixed number of students. By early summer, our programs and budgets are established.

Students are admitted to SCS for the entire school year, and therefore, we make no allowances for refunds under any circumstances except with a 150-day withdrawal notice.
